Nursing Net International

We serve to save lives

Nursing Net International has established since 2003 in Pakistan. We are serving the Para-medical community in several fields. As the Nursing Advisory Organization, providing services of additional courses IELTS / TOEFL collaboration with the British Council - Pakistan. Enhance their capability to recognize in the international community in medical fields. We helped many Nurses to have the Adaptation /Supervise Placement in the United Kingdom. With NMC – UK. these Nurses are working in the UK now, those whom we trained. The references are attached. Our aim to build the image of Pakistani Nurses internationally.

COURSES FOR THE NURSES:

- IELTS / TOFEL / CGFNS

Assisting the Nurses to register, with the **(NMC) Nursing & Midwifery Council – London** / Nursing Council – Islamabad, Pakistan. Preparation of **CGFNS**. **And now we are going start to prepare the NCLEX for (Pts) Physiotherapist / Nurses** in Pakistan. For United States of America.

Nursing Net International our operations, in the major cities of Pakistan. **Karachi / Multan / Lahore /Sargodha / Faisalabad / Rawalpindi – Islamabad / Peshawar.**

Nursing Net International is the member of the Karachi Chamber of commerce. Well known by the British Council – Karachi / Islamabad.
